Message Alerts

Keep Tabs on Everything

With our Mobiliti Mobile Banking Message Alerts*, you can customize when and how Resurgens notifies you of account activity. Message Alerts helps you monitor your finances, keep your account safe and help avoid overdrafts.

How it Works:

Message Alerts can notify you when...

- You have gone above or below your pre-determined balance.
- Specific account activity has occurred.
- A transaction above or below a specified level has posted.
- Your loan payment is due.
- And more!

How to Set-up and Customize your Message Alerts:

Note: You must be registered with our Resurgens Online Banking in order to use Message Alerts. If you are not enrolled, [click here](#) to quickly and securely get signed up.

- From a computer, sign into your Online Banking account at www.resurgensbank.com.
- Click on the "Options" tab, then go to the "Manage Device(s)" box and click on "**Mobile Banking**".
- Register your mobile phone if needed. If already registered, select from drop down "Change your Mobile Banking Services" and modify as needed.
- Add the service "Alerts" as shown on screen below.

Downloadable Apps

Get a customized application for your device that provides an intuitive and rich user experience consisting of easy-to-navigate screens and menus. Receive all the benefits of mobile browser banking, enhanced by your device's unique features.

For your phone

[View screenshot](#)

On your device, open Google Play or the App Store and search for **TouchBanking**, or click either of the download images below. On your mobile? Click the appropriate icon to go directly to the store:

IMPORTANT! After you download the TouchBanking application, you will need to enter this App Code to activate it:

ResurgensATL

OR Send me the download link via text message to this number:

Other Services

Please select the services required and click continue to register.

Mobile Browser (I'd like to receive a link to Browser Banking.)

Why Use Mobile Browser Banking?

[View screenshot](#)

Get full and extended mobile banking capabilities on your web-enabled device. Receive an optimal banking experience with a look and feel that is similar to PC-based online banking, in a site designed to fit neatly into your device's screen.

Text Messaging (I'd like to use text banking services.)

Why Use Text Banking?

[View screenshot](#)

Send text commands (such as BAL) to your bank from your SMS-enabled phone to inquire about basic account balance and transaction history information. Receive text message responses directly to your phone.

Alerts (I'd like to receive text alerts.)

Why Use Alert Banking?

[View screenshot](#)

Include text message alerts with your mobile banking service(s) to monitor your mobile banking accounts. Choose how and when you want to be notified of changes to account balances and personal information. (Select at least one other mobile banking service.)

- Return to your main Online Banking dashboard and in the **Messages** section in the upper right, select "New" to create a new Message Alert.
